## **Certificates:**

Dear Sir / Madam,

We address this letter in response to your announcement for the vacancy that you have in the institution.

I graduated from technical school in Mangalia and I think I gained more knowledge in design and design software. I look forward to implement this knowledge, combined with useful skills and field thus your job.

I am a dynamic person with good communication skills, gained in my experience (projects), responsible, determined, interested in improving professional in the field of designing. I want to have the chance to work in your company, where I could highlight my intellectual capacity and experience (as CV attached) to perform the tasks and goals of the organization, and to develop my career.

If you consider the motivation and my qualifications are desirable for obtaining a place in your company are available at any time to be contacted to discuss details of possible cooperation.

Thank you,  
Panait Cornel Mihai
